Practitioner Quiz

Quiz

#	Question	Response
1	The disabled covered employee should be informed about the risks using technology to send confidential information. Counselors should include that information when there is a client breach.	<input type="radio"/> True <input type="radio"/> False
2	A practitioner may not attend a medical examination unless the covered employee consents in writing. A practitioner may seek a healthcare provider's opinion following examination with the covered employee's consent only.	<input type="radio"/> True <input type="radio"/> False
3	Disabled covered employees have no choice but to use technology-based distance counseling within the rehabilitation counseling process. Counselors choose the method whether it is face-to-face or distancing counseling when providing services.	<input type="radio"/> True <input type="radio"/> False
4	A rehabilitation practitioner's professionalism must never be in question; the practitioner should treat each disabled covered employee with respect and dignity.	<input type="radio"/> True <input type="radio"/> False
5	Based on the hierarchy of services, there is an order of preference that a practitioner must follow when attempting to return a disabled covered employee back to suitable gainful employment.	<input type="radio"/> True <input type="radio"/> False
6	Maryland statute requires registration of all vocational rehabilitation practitioners (WCC nurses, vocational rehabilitation counselors, and vocational rehabilitation evaluators) and providers (companies or agencies) providing rehabilitation services for Maryland disabled covered employees within the State of Maryland.	<input type="radio"/> True <input type="radio"/> False
7	Vocational counselors or evaluators meeting the requirements of registration must work under the administrative supervision of a CRC, CVE, CSMS, CCM, or CRN, if they do not hold a certification or license.	<input type="radio"/> True <input type="radio"/> False
8	Vocational rehabilitation assessments that include job placement and job development are usually the responsibility of the medical case manager and vocational counselor.	<input type="radio"/> True <input type="radio"/> False

Upload Document: No files uploaded

The application will not be processed unless the applicant's professional license or certification information or original college transcript is attached.

Certifications and Signature

As an applicant for registration, I acknowledge that the Workers' Compensation Act requires that all the practitioners that provide vocational rehabilitation in the State of Maryland to register with the Commission. I understand that any omission or misrepresentation of the information requested above might result in rejection of my registration application, and that failure to register, either due to non-submission of application for registration or rejection of application, may result in non-payment for rehabilitation services which have been provided. Subject to the acceptance of this application, I understand that I am required to notify the Commission of any change in the information submitted on this form to include employment status and change of name or address. Any failure to provide notification of changed information may result in the removal of my name from the Commission's directory of Vocational Rehabilitation Registrants. I hereby certify that the information provided on this application is true and accurate, and I authorize the Commission to verify the information provided.

This application may only be used if the applicant provides vocational rehabilitation services to no more than three (3) covered employees per year. By checking this box, you are verifying that you are providing services to no more than (3) covered employees per year.
